

UW NORC AFFILIATE INVESTIGATOR APPLICATION

Thank you for your interest in the UW NORC. This application requests information required by the NIH about you, the research project that will use core services, and your research funding and collaborations. We look forward to working with you.

- 1) Name _____
 Degree/Title: _____
 UW Department/Division: _____
 Box #: _____ Telephone: _____
 Email address: _____

2) **Title of Project Requiring Core Services:** _____

3) **Description of Project’s Relevance to Nutrition and Obesity** (Include aims and description of the aspects of your research that are related to nutrition and obesity):

4) **Relevance to UW NORC’s Scientific Themes:**

<p>UW NORC Scientific Theme(s)</p> <p>Mark one or more UW NORC scientific themes to which your research contributes.</p>	<p><input type="checkbox"/> Energy Balance and Obesity Pathogenesis</p> <p><input type="checkbox"/> Health Risks of Obesity</p> <p><input type="checkbox"/> Nutritional Aspects of Systemic Illness</p>
--	---

5) **Current Grants Supporting Nutrition and Obesity-Related Research (PI only):**

Provide information for *current* grants, awards, subcontracts, or other sources of funding for current nutrition and/or obesity-related projects for which you are PI or Co-PI and seek to utilize Core services. Include sponsor/source, identifying number, title, PI, entire award period and annual direct cost for each funding source.

6) **Pending Grants Supporting Nutrition and Obesity-Related Research (PI only):**

Provide information for *pending* grants, awards, subcontracts or other sources of funding for nutrition and/or obesity-related projects for which you are the PI or Co-PI.

- 7) Current or Pending Grants Supporting Nutrition and Obesity-Related Research (other than PI):** Provide information for *current or pending* grants, awards, subcontracts or other sources of funding for nutrition and/or obesity-related projects for which you are *not* the PI or Co-PI.
- 8) Funding source:** Indicate with an asterisk (*) which source above (i.e., in sections 5,6 or 7) supports the research project grant/funding the project being proposed.
- 9) List any Co-Investigators or Collaborators that are Involved in the Project:**
- 10) Approved Human Subject Protocol or Animal IACUC Protocol, if applicable (PI, title, protocol # and approval dates:**
- 11) Proposed Use of each Core's Facility (Energy Balance Core, Analytic Core and/or Clinical and Translational Research Services Core-- please be specific:**

Attach additional sheets as necessary. Return the completed form along with a copy of the CV for the principal investigator as an email attachment to uwnorc@uw.edu.

The University of Washington Nutrition and Obesity Research Center is supported by grant P30 DK035816 from the National Institute of Diabetes and Digestive and Kidney Diseases. Please acknowledge the UW NORC grant in all publications we supported.
